Details

We are happy to announce our October PostgreSQL Meetup!

AWS gracefully offered to host us on October 9th, starting 18:00.
Talks and speakers announced soon.

Location: Amazon, Brüderstraße 26, 10178 Berlin

Speakers:
Josef Machytka (NetApp Deutschland GmbH): GIN, BTREE_GIN and BTREE indexes on JSONB data - use cases and performance tests

Aychin Gasimov (Amazon): What's new in PostgreSQL 17

Please note that you need to provide a registration and a photo ID for entering the building.
Check-in will need approx. 30 minutes, please plan accordingly.
Food and soft drinks will be provided, alcohol is not permitted during the event.
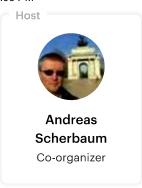

Please also note that we will move people back to the waitlist if they signed up for a previous event, and did not show up.
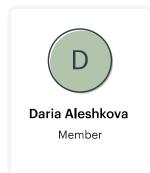

Events in Berlin, DE   Open Source   SQL   PostgreSQL   Database Development   Data Management
